Christopher Epps, Mississippi Department of Corrections Commissioner and the national and state AJFO steering committees, welcome you to Mississippi. The 13th National Workshop on Adult and Juvenile Female Offenders will take place in Jackson, Mississippi on October 10 through October 14, 2009.

During the 2007 AJFO Conference in Baltimore, Maryland, Mississippi was selected to host the 13th National AJFO Conference. AJFO is the premier conference for professionals working with female offenders in the adult and juvenile system. AJFO has a rich history dating back to 1985. A grassroots movement began to provide a forum for women and men in the corrections professions to come together every other year and share information and concerns regarding the needs, management and treatment of female offenders.

The 2009 conference theme, **“Harmony Beyond Boundaries, Blending New Challenges with Emerging Ideas,”** is especially appropriate as we come together for a national conference to address the issues related to adult and juvenile female offenders. The conference agenda will spotlight information from around the country, and offer time to network and learn from professionals recognized for their years of work related to female offenders. We have made efforts at our local, state and national level to manage the issues related to the increasing number of female offenders. We look forward to moving beyond boundaries to share these accomplishments with conference participants.

The **early registration fee** is \$250.00 or \$175.00 for students. This includes Five (5) full days of sessions, keynote addresses, breaks, Mississippi Night Banquet, Power of One Banquet, and tours.

The **Jackson Marriott Hotel & Resort**, located in historic downtown Jackson, Mississippi is our conference hotel. The Marriott hotel link is on the web site. Room rates at the Marriott are \$117.00 per night plus tax. Our block of rooms will book fast so make plans to attend and book your room early. We do have additional overflow hotel rooms within walking distance and through shuttle services. Prices vary and there is an accommodation for your traveling concerns and budget.
