

## Powder, Tooth Powder 4 oz Plastic Cont

“Country Gent” Tooth Powder (4 oz) is a pleasant tasting, peppermint flavored powder for brushing teeth, is an alternative to tooth paste (4 oz has > no of uses than a large tube of tooth paste).

Our tooth powder DOES NOT CONTAIN chemical foaming agents such as sodium lauryl sulphate which is a known skin irritant (it's in tooth paste! go figure!) Great for keeping with you for refreshing during the day. Just a “little dab” refreshes your breath. Economical breath freshner in a bottle. Ingredients: Calcium Carbonate, Sodium Bicarbonate, Corn Starch, Peppermint Oil, Stevia, Sodium Chloride CG100
